

Mason Dixon Sport Flyers

“Beware of Cheap Imitations”

USUA Club No. 20

Matt Leubecker, President

September 2008

It's Election Time ...REDUX

Once again, it is time for the Mason-Dixon Sport Flyers to cast their ballots and select their leaders for the next term of office. Elections that were to be held at the August meeting were unexpectedly postponed due to a “field trip” to Capital City Airport. Therefore, the nominations for the new officers that were made at the July meeting will be voted upon at the September meeting. That has given all members ample time to decide on their votes.

PRESIDENT: Matt Leubecker, Jerry Rosie, & John Kaczorowski

VICE PRESIDENT: will be the person receiving the second most votes for President

The other offices did not have any additional nominees. Therefore, these offices will remain the same unless their holders resign and refuse the office or a write-in nominee receives more votes.

SECRETARY: Roger Parks

ASSISTANT SECRETARY: Rob Donato

TREASURER: Jim Wardrop

ASSISTANT TREASURER: Bill Salsgiver

NEWSLETTER: : John & Mykee Kaczorowski

EVENTS COORDINATOR: Paul Furst

ASST> EVENTS COORDINATOR: Rob Donato

FLIGHT CO-ORDINATOR: Matt Leubecker

ASST. FLIGHT CO-ORDINATOR: Norm Crone

CLUB PHOTOGRAPHER: Paul Furst

ASST. CLUB PHOTOGRAPHERS: Roger Parks & Denny Carney

You, as an active member of the Mason Dixon Sport Flyers, are in charge of the destiny of your club. Think carefully about your choices; select individuals you feel will do the best job to advance the club's interests, ones who have shown leadership qualities, those who show up to do the work when they are needed, people with ideas and the capability to carry them out, individuals who really care about this club and it's future. If you feel the person(s) currently holding any position should be replaced, but have no other nominees, write-in a choice. You control the destiny of The Mason-Dixon Sport Flyers.

FIELD TRIP TAKEN BY MEMBERS

The August meeting of the Mason-Dixon Sport Flyers was held at the Capital City Airport in New Cumberland, PA. The editors express their sincere apology for the error in reporting the August meeting and agenda in the newsletter. The change was not brought to their attention until the newsletter had already been sent and we hope that no problems incurred due to the change.

The field trip meeting was held in conjunction with EAA Chapter 122 and they met beneath the wing of the B17 at the Capital City Airport.

Each club held short business meeting which was followed by a tour of the aircraft.

Several members of the MDSF were present. A fine time was had by those who attended .as is attested by these photos.

Thanks to Matt, Denny, and Jerry for photos and information.

NEWS FROM JERRY

Jerry Rosie reports that after five long years of “puttering, tinkering, building and rebuilding, and mostly waiting for parts and repairmen” his Aeronca 65LA (which is now a 65CA) has passed it’s inspection and has been duly entered into the FAA’s database. As soon as he is confident it will not disintegrate mid-air, he will be offering FREE RIDES for any MDSF member (or potential member). If you re interested, call Jerry to arrange a day, time, and location.
